

SAINT FRANCIS SCHOOL ANNOUNCES THE

22nd Annual Saint Francis Golf & Tennis Tournament

Proudly sponsored by the Saint Francis Booster Club

September 24, 2018 • The Country Club of the South

We are excited to announce our 22nd Annual Golf and Tennis Tournament at Saint Francis. This annual event is organized by volunteers from the Saint Francis Booster Club and is the most important fundraiser designated to support our athletic programs on our two campuses. The proceeds from this tournament directly impact our student-athletes and provide support to enable our athletic programs to thrive in their quest to help our students become well-rounded young adults.

We look forward to hosting our Saint Francis families and friends and share with them many of the parts of this tournament that our participants love and introducing a few new aspects as well. This year there is a morning and an afternoon Tennis Option. Details below. Mark Your Calendar to attend this terrific family event and don't forget to ...
